TRANS DAY OF VISIBILITY

SVPRO media literacy: Pose

Friday, March 31, 2:30pm *refreshments provided

SVPRO Lounge, Orchard Commons 4061

Come laugh and cry with us as we watch Episode 1.2 of the groundbreaking FX series Pose, which tells trans histories with trans actors, FINALLY.

The show depicts the realities of LGBTQ life in 1980s NYC, including transmisogyny, gender-based violence, racism, and the early days of the HIV AIDS crisis. But it's also affirming and celebratory in its portrayal of BIPOC trans and queer lives, love, resilience, and community.
