

# Coverage for supplemental surrogacy

Our Supplemental Surrogacy coverage complements our Fertility Services benefit. It's here to help you support the health and well-being of your surrogate. We'll pay you or your spouse/partner for expenses you incur for your surrogate. Supplemental Surrogacy is generally a taxable benefit. The list of eligible expenses it covers is below.

## Eligible expenses include:

- Obtaining medical or other records
- Midwife/doula/lactation consultant
- Child care (for surrogate's children)
- Pet care (for surrogate's pets)
- Vitamins, minerals, herbal supplements
- Pre-natal specific fitness services
- Nutrition counselling services (excludes the cost of food)
- Legal services
- Educational courses and materials related to surrogacy

## How to submit claims:

After you've paid the expense(s), send us your receipts, along with a completed **Surrogacy Non-Medical Benefit** claim form.

- The receipt must show you paid for the expense(s) and list the surrogate as the person who received the services/supplies.
- Your claims can be submitted digitally using the **my Sun Life mobile app** or [mysunlife.ca](https://mysunlife.ca).
- Use the "Submit documents" feature and enter **FBPSURROGACY** when asked for the document or claim number.
- You can also send claims by regular mail to the claims office nearest you.
