NEIGHBOURHOODS

Welcome to the Okanagan!

The cities of Kelowna, West Kelowna, and Lake Country are made up of 25 communities. Each community has its own distinguishing features.

The features of each neighbourhood, on the following pages, include a general description of the area and its amenities as well as commute times, schools, and average costs to purchase or rent a home.

By reviewing these neighbourhood profiles, we hope that you can learn what neighbourhood is most suitable for your family's lifestyle, needs, and budget.
