

Ergonomic Chairs in HR Training Room (TEF3)

Below is a list of the chairs in UBC’s HR Training Room. Please note that this is not an exhaustive list of ergonomic chairs and not all chairs in the training room are equal; some of more adjustability features than others.

Departments, staff and faculty may book appointments to test chairs and learn about the adjustability features. Purchasing decisions are made by the department; testing a chair does not necessarily mean that your department will purchase a chair for you. Please check with your department before booking an appointment to determine what options are available in your department.

Good chairs typically range in price from \$650 to \$800; however, there are some options for as low as \$400. Please contact your preferred provider for a formal quote.

Chair List:

AllSeating: YOU	2
Global-Obus Forme Comfort	2
Global-Tritek	2
Haworth: Fern.....	3
Haworth: Soji	3
Haworth: Very.....	3
Haworth: Zody	4
